Chateau Collection

Baby City's most popular range of Touchwood nursery furniture is called the "Chateau Collection". This stylish and solid design makes it a superior piece of furniture with sleek lines, simple details and a luxurious finish that would suit any contemporary nursery.

The Chateau Cot's versatility allows the cot to be adjusted to suit any growing child, as it can be converted into a beautiful sofa bed.

Hidden within this beautiful furniture is an array of Safety and Quality for which Touchwood is known for. All Touchwood furniture is sprayed with non-toxic paints making it safe for children, and our cots have been tested in accordance with Australian/New Zealand Safety Standards as well as certified by SAI Global Certification, making your decision to choose a Touchwood cot much easier.
